Message from the Board of Directors, Chairperson

Dear Friends,

On behalf of the Board of Directors of Jack Byrne Regional Sport & Entertainment Centre, I would like to extend a warm invite to all residents to get out and attend the many planned events at our wonderful facility in 2020. It's your participation that makes it a success!

I would also like to thank the corporate sponsors whose participation allows Jack Byrne Regional Sport & Entertainment Centre to publish this Activity Guide on an annual basis. We look forward to seeing you all at one of our concerts, tradeshows or even walking the track!

Enjoy the events, **Brian Martin** Chairperson, JBRSEC

Message from the Mayor of Flatrock

When our 4 towns came together to cooperate with the provincial government in getting an arena for the East End, we never imagined that it would have grown into one of the best arenas on the Avalon. Jack Byrne had a vision and he worked with our towns, Flatrock, Pouch Cove, Torbay and Logy-Bay-Middle-Cove, to agree on building a place where our children could play hockey and where our residents could come and enjoy many different events.

Since it's beginning, the main focus was to get a great management team and staff in place that would make our arena flourish to what it is today. This community focal point has so many uses that not only hockey players can enjoy, but also residents who want to take in a craft fair or concert.

I would like to thank the management, staff and board of directors for all the hard work that has been done over the past 12 years. On behalf of the Town of Flatrock I welcome you to come visit the Jack Byrne Regional Sports and Entertainment Center this coming year, there are so many reasons to come see us in 2020! Check out our website at https://jackbyrnearena.com/ for this years events!!

Message from the Mayor of Logy Bay-Middle Cove-Outer Cove

On behalf of the Council, staff and residents of the Town of Logy Bay-Middle Cove-Outer Cove, we would like to congratulate the Jack Byrne Regional Sport & Entertainment Centre on the publication of their 4rd annual JBR Activity Guide. We would also like to again acknowledge the Arena Board of Directors and Staff for their continued success in implementing programs, activities and special events to the North East Avalon region. The Jack Byrne Regional Sport & Entertainment Center is a true success story.

Sincerely, **Bert Hickey** Mayor Town of Logy Bay-Middle Cove-Outer Cove

Message from the Mayor of Pouch Cove

On behalf of the Council, Staff and Residents of the Town of Pouch Cove, it's a pleasure to offer my sincere congratulations to the Jack Byrne Regional Sport and Entertainment Centre Board of Directors, Administration and Staff on the publication of their 4th annual Activity Guide.

Over the last three years, the Activity Guide has proven beneficial to the many residents, visitors and user groups of all ages with pertinent information on upcoming events. From hockey games to a trade show, a formal event to a concert, roller skating to craft fairs, Jack Byrne Regional has the ability to serve the many needs of its patrons on a consistent basis. Through dedicated leadership from the Board, Administration & Staff, and regional cooperation between the four owner Towns, Jack Byrne Regional continues to

shine as a premier facility on the North East Avalon.

As Mayor of the Town of Pouch Cove, I continue to be extremely proud of the Jack Byrne Regional Sport and Entertainment Centre. Along with my Council colleagues, I wish you continued success in each and every venture and look forward to the 4th annual Activity Guide for 2020!

Joedy Wall Mayor of Pouch Cove

Message from the Mayor of Torbay

On behalf of the residents and Council of the Town of Torbay I would like to congratulate the Jack Byrne Regional Sports and Entertainment Centre Board of Directors and Staff on their continued success over the past year. As can be seen from the 2020 activity guide there is another great year ahead.

The Jack Byrne Regional Sports and Entertainment Centre continues to be a role model for regional cooperation in Newfoundland and Labrador. The municipal partnership that was created when this project was undertaken has since grown and expanded beyond anyone's expectations.

This facility is more than simply a hockey rink, it has evolved into an economic and social hub enjoyed by the residents of our

neighboring communities and beyond. As we move forward into 2020 I would like to thank the Board and Staff the all the hard work and encourage our residents to continue to support this wonderful facility now and into the future.

The **ECO-FRIENDLY**, Ice Rink System

With today's concern for the environment, energy efficiencyand safety, CO2 is now a much superior option over all synthetic refrigerants. It is natural, non-toxic, non-flammable with no net greenhouse effect. With over 100 years as the leader and most experienced company in ice rink design, engineering, manufacture, installation and service, you can rely on CIMCO to provide you with an affordable, high-performance refrigeration system that is exactly right for you.
